THE STONE FORT

1939

As varied as the history of the Old Stone Fort
is *The Stone Fort's* history of a year at Stephen F.
Austin State Teachers College.

DEDICATION

As an appreciation for his untiring efforts to make Stephen F. Austin College a better institution of higher learning, his desire to integrate the modern methods of education with the true principles of womanhood and manhood, and his ability to gain the confidence and friendship of college students, we affectionately dedicate the 1939 issue of *The Stone Fort* to MR. C. E. FERGUSON.

Another year has gone and *The Stone Fort* stands as a reminder of its activities. In this book you see familiar scenes, familiar faces, and the usual and unusual college activities. Through the years it will arouse pleasant memories.

But with it all, perhaps you will remember other phases of college life: hard tasks, fine victories, an occasional defeat—all will be ever present, and all will find a place in your personalities and perhaps a place in the life structure you are building. Your years in college will be fruitful only in so far as you are able to use the things learned here in the solution of your own life's problems. And these problems are becoming more and more complex as changes in the industrial, economic, political, and social phases of our common life become more frequent. Always it has required a bit of training and considerable information to function properly as a citizen of a democracy. The need is more insistent now than ever before. So I am hoping, as you look over the pages of *The Stone Fort*, that you try to get the idea that your education has only begun, and that studious habits will, in the long run, pay larger dividends than accumulated knowledge. With such habits fully established, you will be an asset to Texas, and you will have fulfilled the hopes of the College Faculty and will have justified the State in furnishing you fine opportunities.

A. W. BIRDWELL, *President.*

DEANS

My four-fold wish for all the students of the College is that they may have enough of the grind to sharpen their intellects for clear and straight thinking, enough of play to make them capable and desirous of playing the rest of their lives, enough of social contact to give them poise among scholars and gentlemen, and enough of general culture to make them patrons of the arts.

THOMAS E. FERGUSON
Dean of the Faculty.

May the warmth of friendship, the stimulus to thought, the challenge to service, and the love of good be the fruits of your college experience, and may you continue to grow as you seek your fortune in the world.

SUE HILL.

Happy is that person who can afford to remember what happened in the past. My wish is that each one of you will be able to look back upon your days in college as happy, profitable, and honorable. May there be no regrets.

Your friend,
C. E. FERGUSON.

Late in the first semester Stephen F. Austin students went to the ballot box to elect their all-college favorites. After a day of voting the ballots were counted by Henry Key, Lena Arnwine, Evalyn Lynch, Boots Morrison, Gorman McMullen, and Bill Ferem.

The class favorites were elected by popular vote of respective classes in meeting to represent that class in all-college favorite election.

Twenty-five members of the S. F. A. college faculty nominated students for the Who's Who section of *The Stone Fort*.

Seniors most likely to succeed after finishing college were nominated by members of the Senior class and elected at a meeting of that body. The votes were counted by C. E. Ferguson, class sponsor, and Senior Class President Willard Whitesides.

Jimmie Herron, "The King of the White Waters," and nationally famous lumberjack, selected the beauties from photographs submitted to him. The results were announced by J. H. Wisely, Evalyn Lynch, and Harold Wisely.

"All the girls were pretty, and I thought and looked a long time before I decided . . . I have had a lot of fun picking these pictures . . . If Texas is like the girls, it must be a great place. . . ."

JIMMIE HERRON,
King of the White Waters.

WHO'S WHO

One of Stephen F. Austin's most talented and best liked students is Griff Terry Ross, pre-medical student. Much credit should be given Griff for h's part in directing the Second Annual Piney Woods Debate Tournament which was held on the S. F. A. campus this spring. Griff is accordionist for the famed "Plowboys" and plays saxophone in the band. He is a member of the Texas Academy of Science, Austonites, and Alpha Chi. Included in his school work is a biology lab assistantship.

Outstanding for her creative writing is Gladys Burrows, junior student from Lufkin, who is editor of the college magazine, *Pulp*. Gladys plays the piano and is an active member of the Choral Club and the Madrigal Club, representing those groups in the College Commission. She also belongs to the Press Club, Alpha Chi, and Die-Hard Club.

James (Flash) Fuller, manager and announcer of the Nacogdoches Broadcasting Company, is president of two campus organizations, the Sawyers and the Log-Fort Press Club. He is business manager of *The Pine Log* and served in the same capacity for the Student Directory for 1938-39. Flash is, for the second time, Publicity Director of the Texas Intercollegiate Press Association, and he is an officer of the Loggers, and a member of the College Commission. He is associate editor of *The Stone Fort* and holds membership in the Nacogdoches Junior Chamber of Commerce. A senior, Flash is vice president and reporter of his class.

James (Yankee) Graham may be considered as an all-round boy. He is outstanding in music, holding the presidencies of the Choral Club and Madrigal Club. He has a melodic tenor voice, and sings over the local radio station. Yankee is a Lumberjack yell leader, takes part in all intramural sports, and is a member of the tennis team.

Characterized by his keen wit and humor, Gorman (Mac) McMullen has done a creditable piece of work as editor of this year's *The Pine Log*. It has been his desire to make that publication a credit to S. F. A. Mac is an outstanding member of the junior class and holds membership in the College Commission, Austinites, Press Club, and Alpha Chi.

Mary Osborne, well known over East Texas as the "Queen of Strut," leads the Lumberjack band on parades. Mary was one of the beauties last year and this year the band beauty nominee. She is a member of the Amitie social club and Alpha Psi Omega.

Student president of the Stephen F. Austin College is Dan Prado, whose duty it is to preside over the College Commission. He is also president of the Y. M. C. A. and a member of the Alpha Chi and Austinites. Dan is known for his friendly manner and is honored by all who know him for his fair dealings.

Lorene Richards, who has won for herself a place among the outstanding students despite her physical handicap, is one of the most talented and hard-working persons on S. F. A. campus. Lorene is treasurer of the Y.W.C.A. and program leader for the Press Club for which she did outstanding work on Skit Nite. She is also a member of the Alpha Chi scholastic society.

Although just a sophomore, Tom (Slats) Reavley has made a name for himself on S. F. A. campus. Tom is president of his class, the Wesley Council and the Austinites. He is an associate editor of the *Pine Log*, famed for his "Sez Me" column. He is also a member of the Press Club and College Commission.

Mary Clyde (Big Sister) Westmoreland holds two important presidencies — Woman's Council and Y. W. C. A. She is a member of the Amities, Wesley Council, P. W. R. A., and Alpha Chi. In her spare time, this Physical Education major plays tennis and is active in all other girls' sports.

Marjorie (Little Sister) Westmoreland, transfer from Marshall Junior College, has made a place among the outstanding in her first year here on the campus. Selected junior class favorite, she had the honor of presenting flowers to the team captains in S. F. A.'s first conference basketball game this year. Marjorie is Press Club secretary and treasurer. P. W. A. reporter, worship leader for the Wesley Council, feature editor of the Stone Fort, and reporter of the Choral Club. She is a member of the Amities, Lumberjackettes, and Y. W. C. A. council.

Senior class president, Willard Whitesides is responsible for the growth of interest in the assembly programs by the introduction of club participation this year. Willard is also president of the Methodist College Students Sunday School class, a member of the Austinites, College Commission, and Wesley Council. He lettered in basketball with the S. F. A. cagers this season.

Characterized by her pleasant personality and a smile for everyone, Wilma (Queenie) Watkins is this year's "Sweetheart of S. F. A.," "S. F. A. girl most likely to succeed," and one-half of the campus' cutest couple. She is editor of the 1939 *Stone Fort*, president of the Pine Burrs, secretary of the senior class and vice president of the Press Club, from which she was beauty nominee. A member of the Woman's Council and College Commission, Wilma was a twirler in the S. F. A. band for two years. She has received more honors during her school career than any other S. F. A. student, yet she remains the same Wilma to all who know her —and everyone does.

Harold Wisely, junior student and president of the Baptist Student Union, is a great leader of religious activities. He is business manager of the *Stone Fort*, a member of the Sawyers, Alpha Chi, and Debate Club. Harold is a veteran clarinet player for the band.

CHEER LEADERS

MORRISON, GRANT, SHARP, GRAHAM

Efficiently assuming their duties of handling the college's pep rallies, and leading yells at football and basketball games, Stephen F. Austin's four yell leaders are to be commended on their fine work toward keeping enthusiasm high at S. F. A.

The yell leaders led college students on several eventful trips to back the Lumberjack grid and cage teams the past season, highlighted by memorable treks to Huntsville and Beaumont.

During the past school year the duties of head yell leader were handled by Bergman (Boots) Morrison. His assistants were Lucette Sharp, Jean Grant, and Jimmy Graham.

COACHING STAFF

Rounding out his second year of service at Stephen F. Austin, genial J. E. (Red) Willis, with the first Lumberjack grid team he could call his own, gave S. F. A. in 1938 a hustling, colorful aggregation that on its best days was on a par with any team in the Lone Star Conference. This Texas Christian University alumnus has high hopes of building teams of increasing formidability around the sophomore eleven that showed so much promise in 1938. Recognized as one of the smartest grid mentors in this section, Willis is expected to give Stephen F. Austin during ensuing seasons something to talk about in the football way.

The versatile "Red" rounds out his coaching duties at the local college by tutoring the Lumberjack freshman basketball squad. In his two years at the helm of the first year quintet, Willis has developed two of the strongest Junior Jack basketball teams in the history of the college.

When Coach Willis came to S. F. A. from Texarkana Junior College in 1937 to assume the leadership of local grid destinies, he chose as his assistant Ralph Murff, a former Centenary College football luminary and earlier a protégé of Willis. When the likable "Red" was head coach at Marshall High School. During his two years at S. F. A., Murff, as first assistant to Coach Willis, has been an invaluable asset in tutoring the Lumberjack football teams. Fresh from the gridiron where he starred in the rear cordon for Centenary, Murff aided greatly in developing the colorful 1938 Axemen eleven.

Coach Murff also served as head tennis coach at the piney woods institution during the past season.

Since 1923, when Stephen F. Austin had its beginning, the local school has been indeed fortunate in having as Athletic Director and head basketball coach R. H. (Bob) Shelton. The amiable dean of Stephen F. Austin's coaching setup came from San Marcos where he had been connected with the athletic department at the college there. Besides being highly successful as a coach at the Southwest Texas college, Shelton had also compiled an enviable record as an all-round athlete at the same school, winning letters in football, basketball and baseball. Since coming to S. F. A., Shelton has served at varying times as coach of every major sport participated in by Lumberjack teams.

During the past several years, however, Shelton has devoted most of his time to building the far-famed Purple and White basketball teams which have gained court prestige all over the nation. Coach Bob's annual development of formidable quintets has stood out as one of the outstanding coaching achievements of this section and his success as a basketball coach is indeed a fitting monument to his rare ability as a builder of men and as an athletic tutor. It is doubtful that the amazing record of six successive Lone Star Conference basketball championships compiled by Shelton's S. F. A. cage teams will ever be seriously challenged by another team in the L. S. C.

Coach Shelton, admired and respected by all who come in contact with him, has also successfully handled the duties of track coach at Stephen F. Austin for the past two seasons.

LUMBERJACKS SHADE LON MORRIS 6-0 IN OPENER

Opening their 1938 season on Birdwell Field September 23, the Axemen took advantage of a fourth quarter break which enabled them to nose out a fighting band of Bearcats from Lon Morris Junior College of Jacksonville, 6-0. Joe Farrell Walters, burly Jack tackle, gathered in a blocked Lon Morris pass and raced 35 yards before being hauled down from behind on the Cat 10, and Bob McGraw plunged over for the fray's only tally three plays later.

Ragged, unimpressive play by the Forestmen hindered considerably their chances of scoring a more convincing win over their lighter Junior College opponents.

WILLISMEN DROP CLOSE DECISION TO S. L. I.

In spite of the fact that they flashed vastly improved play over their opening game's performance, the Lumberjacks dropped a close, hard-fought 7-0 tilt on the local gridiron September 30, to a well-drilled Southwestern Louisiana Institute eleven from Lafayette, Louisiana.

A first quarter pass by the Bulldogs, good for 23 yards to the Jack 17, set the stage for the touchdown that enabled the visitors to score the victory. Except for this one offensive splurge, both teams battled on even terms in a nip and tuck defensive fracas that featured the booming punts of sophomore Harmon Roquemore.

AXEMEN DOWN HENDERSON TEACHERS IN ARKADELPHIA

Coach Willis and his Lumbermen journeyed to Arkadelphia, Arkansas, October 7, and returned with a well-deserved 6-0 win over the Henderson State Teachers College. Although they pushed the Reddies all over the field, the locals were able to score only one marker, enough for a victory over their intersectional foes.

Buster Walters scored the game's only touchdown on an end sweep in the waning minutes of the fray after a sustained Jack drive had advanced the oval to the Arkansans' eleven-yard line. The outclassed Reddies never threatened in an encounter that saw the Axemen gain almost at will in piling up 18 first downs as compared to the Arkadelphia team's three.

JACKS DROP 7-6 HEARTBREAKER TO EAST TEXAS

Opening their conference season in Commerce on October 14, a battling band of Lumberjacks lost a heartbreaking 7-6 game to the powerful East Texas Lions, defending conference champions who went on to win the loop gonfalon for the second consecutive year.

Even though they were completely outplayed and outclassed throughout the tilt, the Lions scored the touchdown that gave them a lucky victory after Gene Hodge had recovered a costly Lumberjack fumble deep in S. F. A. territory on the first play from scrimmage by the Axemen. Bob Harp, Etex quarter, plunged over for the Lion tally and then kicked the goal that enabled the Commerce lads to eke out the win.

Featuring Bob McGraw and M. H. Hopson, the Axemen completed 22 of 44 passes attempted, rolled up nearly 400 yards on offense and led in first downs, 19-4. Except for their first period score the Lions were never able to penetrate the Lumbermen's 40 yard stripe and were completely bewildered by the dazzling Stephen F. air raid.

The hustling Lumberjacks tallied early in the second period on a neatly executed pass from D. T. Bailey to McGraw, but Harmon Roquemore failed to convert. Although the Willismen pushed the defending champs all over the gridiron, most of their brilliant offensive spurts seemed to gum up once inside the Lion twenty.

POWERFUL EAGLES DOWN WILLISMEN IN DENTON

A big, bruising flock of North Texas Eagles pushed across two quick scores against a jittery S. F. A. eleven in Denton October 21, and went on to score a 21-6 Lone Star loop victory over the Lumberjacks. The Woodsmen settled down during the final half and played the Dentonites on even terms but were never able to overhaul the early North Texas lead.

The Axemen pulled up to 6-14 after Harmon Roquemore plunged over for the lone Purple and White tally midway in the fourth canto. However, the Eagles were able to stave off a desperate last minute aerial attack by the Jacks that saw Bob McGraw complete 50 and 35 yard aerials to end Gene Swier. It was a long, last minute heave by McGraw, intercepted and returned 65 yards by Johnny Shoemaker of the North Texans, that gave the victors their third tally.

Even though they led in first downs, 10-8, fumbles and offensive impotency once inside their foe's twenty yard line again hindered the locals' cause.

LUMBERJACKS MASSACRE SAN MARCOS, 33-0

Before an overflow Homecoming Day crowd, the Stephen F. Austin Lumberjacks reached new heights October 29 when they trampled an outclassed Southwest Texas Bobcat eleven, 33-0. Held to a standstill by their L. S. C. rival during the opening period, the Jacks broke loose on the initial play of the second stanza when Harmon Roquemore found a wide opening off tackle, cut away from the charging Cat secondary and raced 53 yards to a score. From then on it was a question of how many touchdowns a primed S. F. A. team would score.

The Axemen, discarding their renowned aerial attack, relied almost solely on a juggernauting ground offensive to run up the overwhelming score. Pushed all over the gridiron during the entirety of the fracas, the Bobcats never had a chance to make a scoring sally of their own.

Two touchdowns by Burton Yates and one by Bob McGraw in addition to another tally by Roquemore, completed the Lumbermen's offensive outburst.

Sparking the vicious ground attack of the locals were Yates and Roquemore, while the line play of M. H. Hopson, Jimmy Jones, Wilson McKewen and George Perkins featured in the invulnerable S. F. A. forward rampart.

LOUISIANA NORMAL EKES OUT 6-0 WIN OVER S. F. A.

Suffering somewhat of a letdown after their heart-warming triumph over San Marcos, the Lumberjacks dropped a close 6-0 decision to the invading Louisiana Normal Demons November 4.

Starting off as though they were going to repeat their previous week's slaughter, the Woodsmen twice drove to the shadows of the Natchitoches team's goal early in the first period. But a heads-up Demon forward wall staved off both thrusts, and after the visitors scored on a 28 yard pass from Wiggins to Perkins later in the period, the Purple and White never seemed to get going again.

Both elevens played on even terms throughout the three final quarters of a see-saw melee marred by frequent penalties. Except for the opening quarter scoring spree, the listless tilt consisted mainly of a punting duel between Lumberjack Harmon Roquemore and Demon Jack Wiggins.

LAMAR CARDS RALLY TO DEADLOCK AXEMEN

Coach John Gray's scrapping Lamar Cardinals rallied in the final half to gain a 13-13 tie with S. F. A. in a fast game played in Beaumont, November 12.

After Bob McGraw had originated two first half touchdown passes, one to Gene Swier and one to Watson Myers, the Lumberjacks appeared on their way to a decisive victory. But the hustling Redbirds rallied gloriously in the final half before a wildly cheering crowd and scored twice to gain a well-deserved deadlock.

The tying Lamar score came in the final three minutes of play after the Cardinals had recovered a Jack fumble in midfield. Choate of the Cards plunged over after two completed passes had put the ball in scoring position and then kicked goal to knot the count as the partisan attendance went wild.

Listless play by the Lumberjacks aided a badly outweighed but scrapping Beaumont eleven in gaining the unexpected tie.

SAM HOUSTON SUBDUES JACKS, 13-6

The Lumberjacks journeyed to Huntsville Thanksgiving Day where they closed out their 1938 season against their traditional Turkey Day foe, Sam Houston.

In a game that was from the start an aerial duel between Bob McGraw of the Jacks and Robert Barfield and Jimmy Hair of the Bearkats, the Huntsvillites scored a bitterly contested 13-6 win.

The Willismen, striving valiantly for a victory that would have given them a second place tie in the Lone Star Conference, opened with a vengeance and kept the ball deep in Sam Houston territory during the first period. Obviously disheartened after two first quarter touchdown passes were called back on them, the Axemen fought unsuccessfully in an attempt to break up a devastating Bearkat passing attack turned loose in the final three quarters. Highlights of the ultra-effective Kat aerial offense that completed 11 of 17 passes tried, were touchdown heaves from Barfield to Gifford and from Hair to Wells.

Oddly enough, it was a Bearkat pass, intercepted by Lumberjack D. T. Bailey, that gave the Jacks a score in the waning minutes of the game. Bailey raced fifteen yards to midfield before lateraling to Bob McGraw, who scampered the remaining 50 yards through a broken field for the S. F. A. score.

Co-captains Chester Hawkins and Watty Myers closed out their collegiate grid careers in sterling fashion for the vanquished Lumberjacks.

Tutoring a squad made up primarily of inexperienced but brilliant freshmen and sophomore prospects, Coaches J. E. Willis and Ralph Murff had their first real opportunity in 1938 to put on the gridiron a bona fide Willismen-Murffmen aggregation.

On paper, the season record of the team molded by Willis and Murff was not impressive. But during the 1938 campaign these two mentors were also looking to 1939 and 1940 when they will have a veteran squad well grounded in their fundamentals. The Lumberjacks exhibited enough in two games during 1938—the East Texas and San Marcos frays—to verify the conclusion that better days are in store for S. F. A. from the football standpoint.

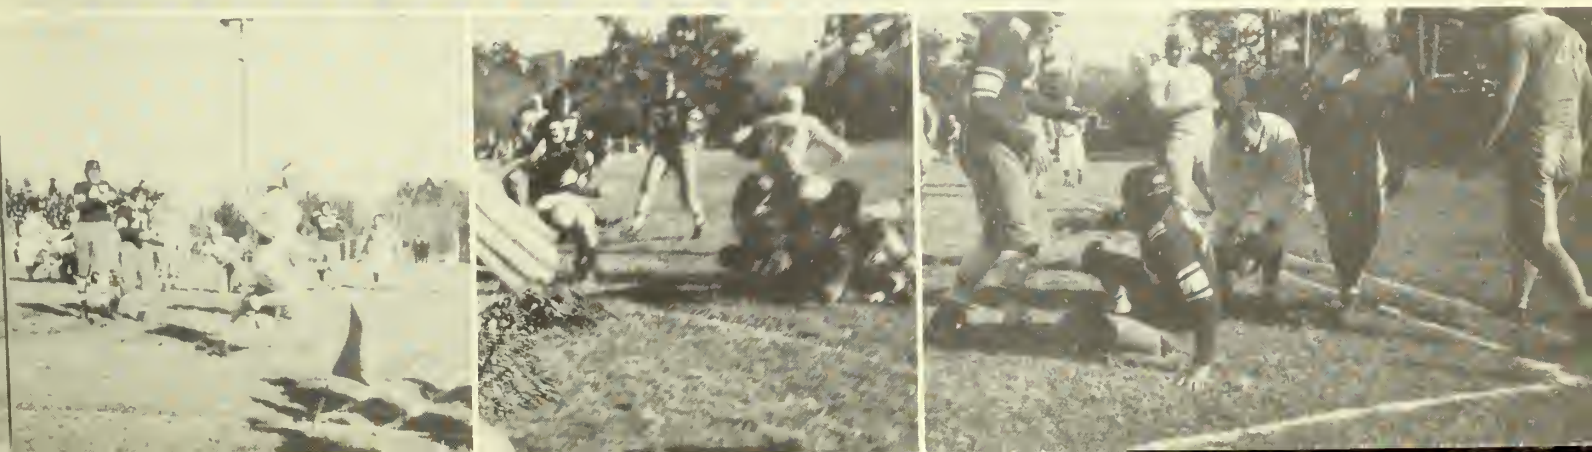

The sophomorish Axemen began their 1938 season in unimpressive fashion but gained precision as the season wore on, showing flashes of true brilliance, although they were never able to reach a very high degree of consistency. The fact that the locals, who played with a spirit and zest seldom seen on previous S. F. A. teams, were never decisively outplayed in any of their nine games and lost only one—a 21-6 setback by North Texas—by more than one touchdown, goes to show that the 1938 protégés of Willis and Murff offered a potent defensive unit.

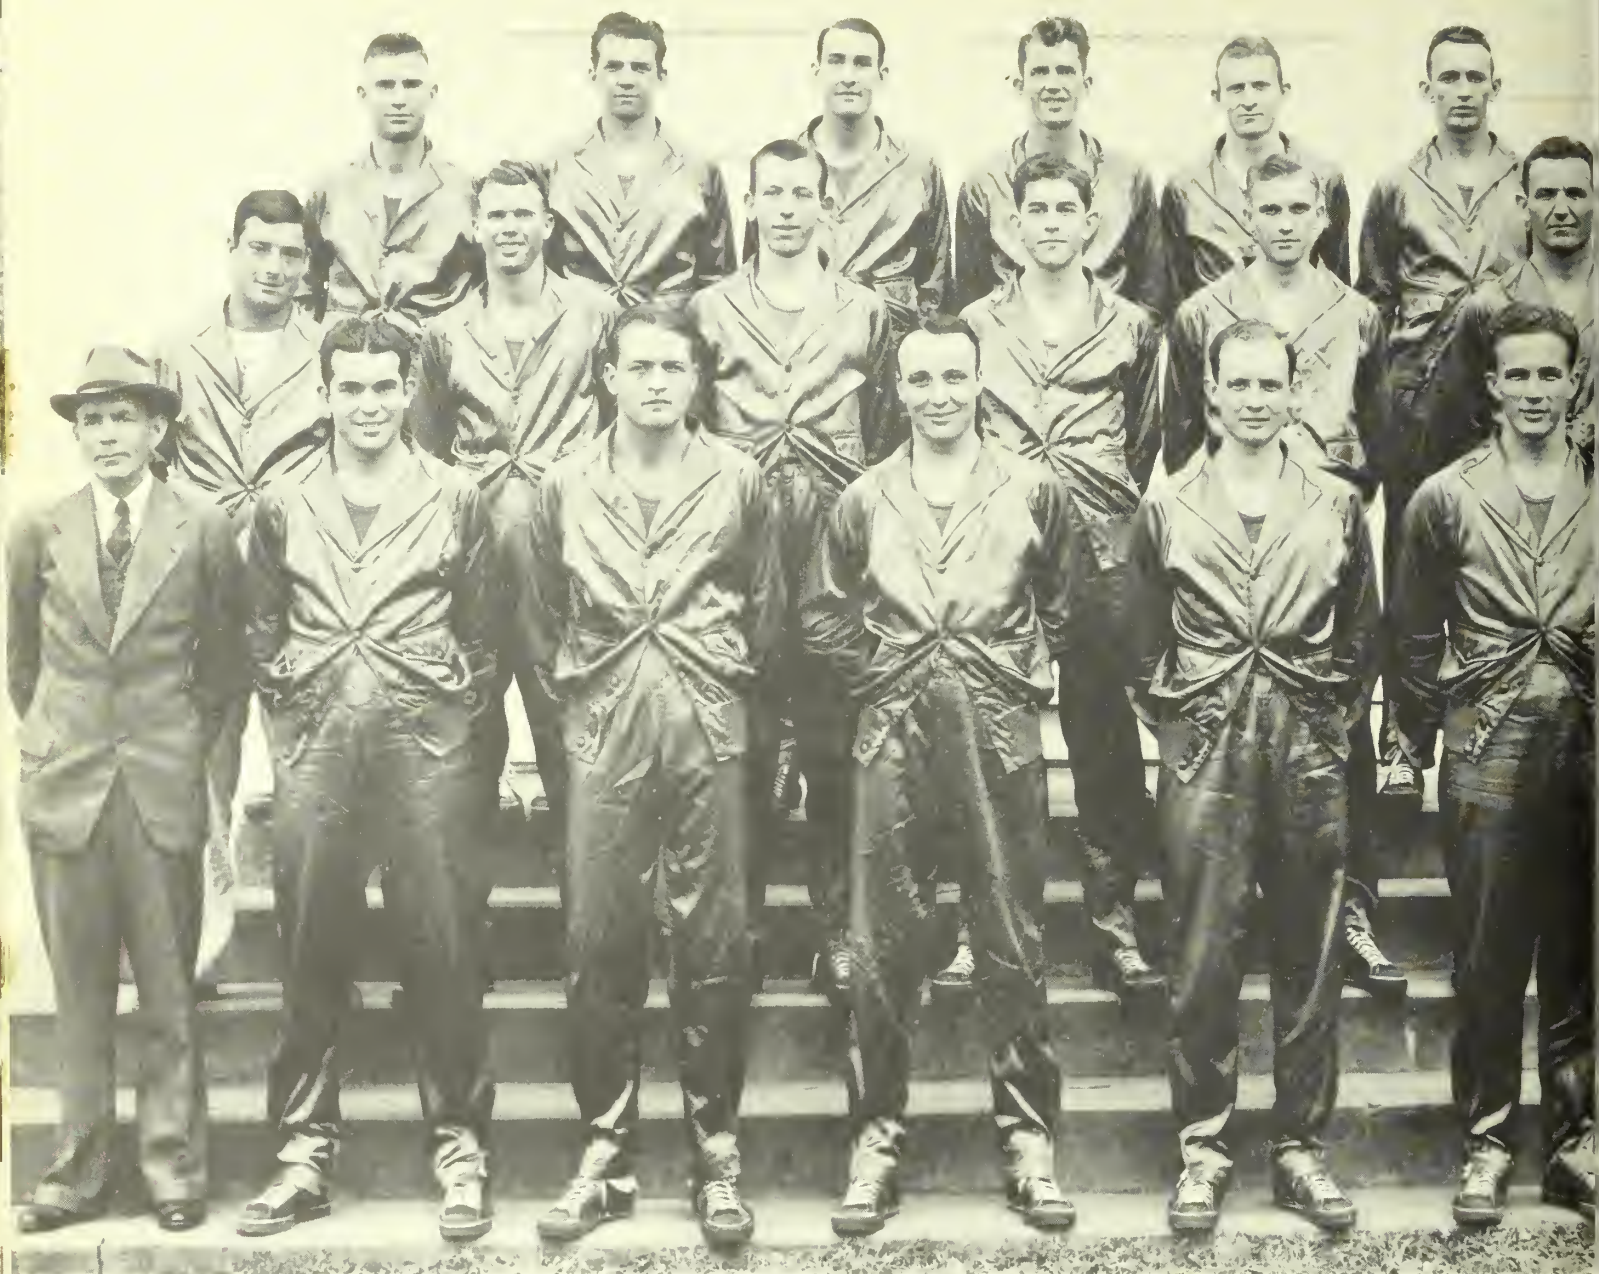

Something else unusual for Stephen F. Austin grid teams was the wealth of capable reserves the 1938 team boasted. This was partially brought about by the new Lone Star Conference ruling which declared freshmen athletes eligible to participate in varsity competition during the school year of 1938-39. Although first year men were eligible under the new set-up to participate in any intercollegiate athletic competition at S. F. A., the Lumberjack football team was the only local athletic unit to materially benefit from the change. Several frosh gridders who would have been ineligible for varsity competition under previous conference rulings bolstered no little the 1938 Stephen F. Austin football eleven.

The versatile locals offered a powerful ground attack as well as an effective aerial offense that would have done justice to the wildest exponent of the razzle-dazzle. Brilliant backfield and end play featured the colorful Lumbermen's games during the entire 1938 campaign.

Such factors as a weak pass defense, inexperienced tackle play, and an offense, otherwise brilliant, that choked up once inside the opponent's twenty yard line, were major deficiencies on the 1938 Jack team that kept their record from being probably the best in Stephen F. Austin grid history. And these flaws will more than likely be remedied by 1939.

Prospects for a winning Lumberjack eleven in 1939 are probably the most promising in the history of the school. Of the four squadmen lost from the past season's team, only two—co-captains Chester Hawkins and Watson Myers—saw extended service during 1938. With practically the same team he sent to battle in 1938 returning to him early next September, Coach Willis has hopes of smoothing out the rough spots and developing a smooth-working unit in 1939 that will be second to none in the Lone Star loop. Football-starved S. F. A. in its entirety will be pulling for just that.

EARLY SEASON GAMES

After opening 1938-39 pre-season workouts with one of the most promising squads ever assembled at Stephen F. Austin, Coach Bob Shelton had his star-studded squad in mid-season form for their opening games with Texas Wesleyan College here December 7 and 8.

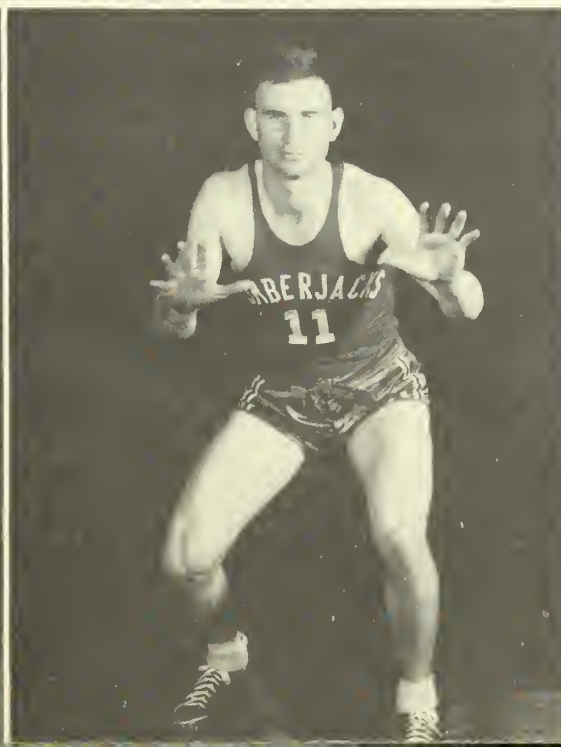

The locals copped both tilts from the formidable Rams and went on to extend their victory streak to six straight before New Mexico Teachers finally nosed out the Axemen 33-32 in an overtime thriller here. The locals had walloped the New Mexico quint the evening before, 51-30. The Sheltonmen finished out their pre-conference schedule with a record of six won and one lost.

Highlighting the early season games here were S. F. A. victories over Rice Institute and the House of David.

LONE STAR CONFERENCE GAMES

Lumberjacks Rout San Marcos in Conference Opener

Keeping the hoop fairly sizzling with remarkable shots from all angles, Bob Shelton's quintet looked like the class of the conference here January 9, in trouncing an inexperienced San Marcos team, 56-27. After being held almost to a standstill during the opening period, the spectacular Jack offense went to work in earnest during the final periods to score the overwhelming win over an outclassed Bobcat five.

Guard Pete Gunnels paced the victors both on offense and defense, tallying 16 points besides doing yeoman work in keeping Southwest Texas forwards well covered. McCarty and Lomax monopolized the throttled Bobcat offense, scoring 12 and 10 markers respectively.

Sheltonmen Wallop Sam Houston, 41-33

Nearly three thousand screaming fans packed every crevice of Aikman Gym February 6 to watch an inspired Stephen F. Austin basketball team trounce their arch-rivals, the Sam Houston Bearkats, 41-33. The spirited L. S. C. melee saw the Axemen exhibit just about their best form of the season to hand the Huntsville quintet its first loop setback.

The heated fray was nip and tuck all the way, the lead changing hands almost as often as the ball before the Forestmen pulled away in the waning minutes to take a commanding lead.

Again it was Marshall Matteson who led the way to the heart-warming S. F. A. triumph. The ace junior forward racked up 18 counters. Vernon Barron and Bennis Franks were standouts on the Purple and White defense.

Floyd Dotson was easily Huntsville's standout, both on offense and defense.

Revived Jacks Swamp North Texas, 56-42

Stephen F. Austin's rejuvenated Lumberjacks went on their determined way of making a comeback in the league title race when they scored a decisive 56-42 win over North Texas here February 10. The victory was the locals' third loop win of the season as compared to a pair of defeats.

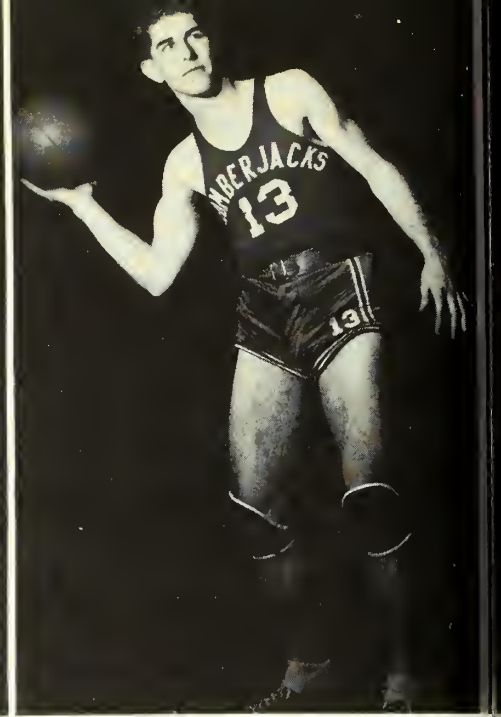

It was Bennis Franks and Marshall Matteson who furnished the spark as the Sheltonmen put on a scintillating offensive display to annihilate a dazed Denton five. After building up an overwhelming lead the Lumberman let up a bit during the first

quarter and the Eagles staged a marvelous rally that saved the tilt from developing into a complete walk-away.

Matteson's offensive play, good for 16 points, and Bennis Franks' flawless floor play, featured the game from the very start. McConachie and Yarbrow were the big guns of the limitless Denton attack. McConachie's points were high for the evening.

Woodsmen Classy in 58-44 Win Over East Texas

In one of the fastest and most exciting frays ever reeled off in Aikman Gym, S. F. A.'s Lumberjacks played superb basketball February 15, to knock East Texas out of the undefeated class, 58-44.

For three breath-taking quarters the two fine quintets battled on even terms, the lead changing hands numerous times as stirring rallies by one five would nullify a previous scoring spurt by the other.

A determined Lumberjack team finally pulled away during the final quarter to ice the decision.

Although the Jacks led in field goals 22-12, converting free throws kept the Lions in the game until the final quarter.

Brilliant guard play by Bennis Franks and Vernon Barron of the Axemen held Etex scoring aces well in hand while Marshall Matteson kept the hoop warm with 17 markers, high for the game. Gene Hodge, a substitute center, paced the visitors with 11 points.

Lumberjacks Thump San Marcos, 47-36

Marshall Matteson, a name synonymous with basketball at S. F. A. during the 1939 cage season, scored 20 points in San Marcos February 20 as the protégés of Bob Shelton annexed an easy 47-36 win over the Bobcats.

The Purple and White led all the way in handing the hapless Southwest Texans their eighth Lone Star Conference defeat.

McCarty with 9 points and Henson with 8 led the luckless Bobcats in scoring.

Axemen Drop 41-35 Thriller to Sam Houston

It was simply a little too much Sam Houston in their own gym February 28, as Stephen F. Austin went down fighting to an inspired Bearkat quintet, 41-35.

East Texas had clinched undisputed possession of the Lone Star Conference title the night before with a win over North Texas.

The Jacks held an 18-17 lead at halftime but the Huntsvillites came back strong in the final half to pull ahead and protect a scant lead despite valiant efforts by the Woodsmen to overhaul Puny Wilson's team.

Waning minute loopers by Lumberjacks Lawrence Franks and Ray Lucas threatened to put the locals into a final lead, but little Robert Croucher of the Kats supplied the necessary offensive spark in the tilt's final minutes to offset the S. F. A. rally. The lead held by Sam Houston as the fray ended was larger than any advantage they held during the hair-raising fracas.

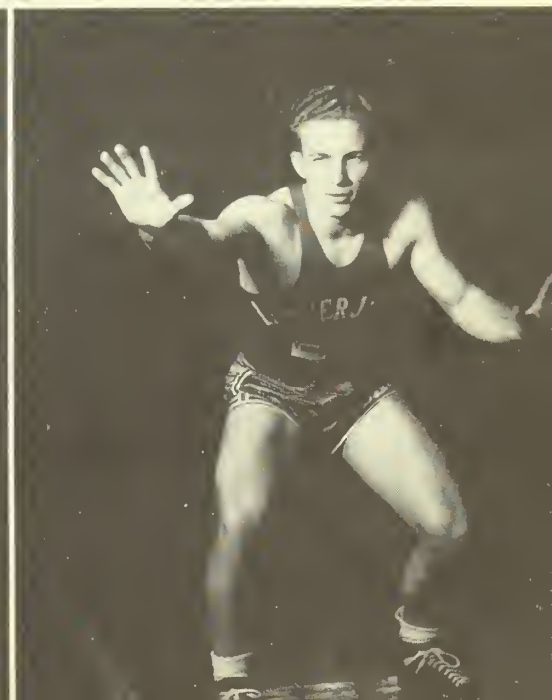

Closing out their luminous cage careers with the proverbial blaze of glory, the Dotson brothers, Clifford and Floyd, and Gordon Cotton led the Bearkats to victory. Clif Dotson's 11 markers was high for the victorious five.

Although forced out of the game with a badly gashed forehead in the fourth stanza just as the Sheltonmen were threatening to regain the lead, Marshall Matteson led scoring with 22 points. Paskel Haney with 9 points was little less effective than Matteson.

By virtue of their triumph over S. F. A., Sam Houston was able to lock the Lumberjacks for second place in final L. S. C. cage standings.

Axemen Drop 44-38 Tilt to Eagles in Denton

Lumberjack hopes for a seventh Lone Star Conference championship in eight years were given a rude jolt in Denton February 1, when the defending champion North Texas Eagles bumped the Axemen, 44-38, in a rough game.

Even though the brilliant Jack scoring ace, Marshall Matteson, had the spectators gasping with a glittering offensive exhibition that netted him 18 points, the veteran Eagle crew held a scant lead throughout.

Chiefly due to the stellar mesh-splitting of Captain Dan Yarbrow and Doyle Smith who together scored half the Denton total, North Texas staved off desperate attempts by the Woodsmen to pull ahead.

Inability to drop their free throws was a major factor contributing to the Jack setback. The Lumberman canned but 14 of 27 gratis heaves during the nip and tuck encounter.

East Texas Dims S. F. A. Title Hopes with Win in Commerce

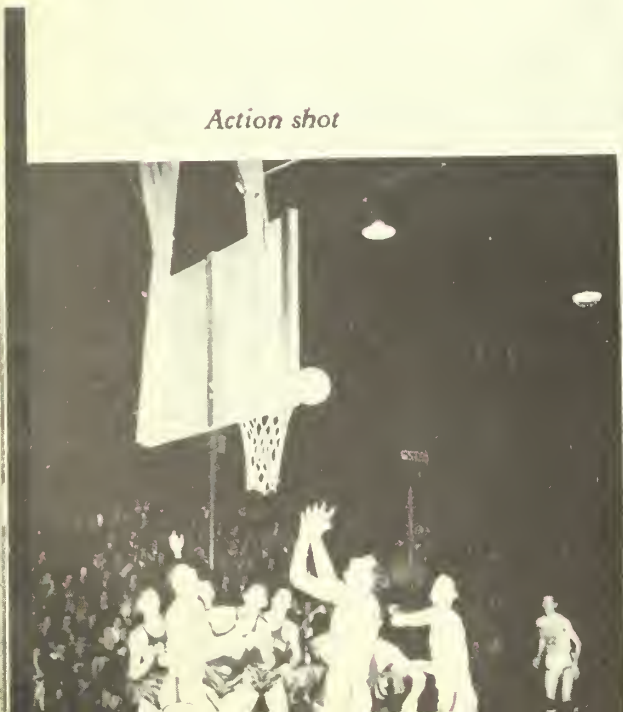

Closing out a disastrous northern invasion, Stephen F. Austin was all but knocked out of the title picture February 4 when the classy East Texas Lions romped to a 58-47 win over the Lumberjacks in Commerce.

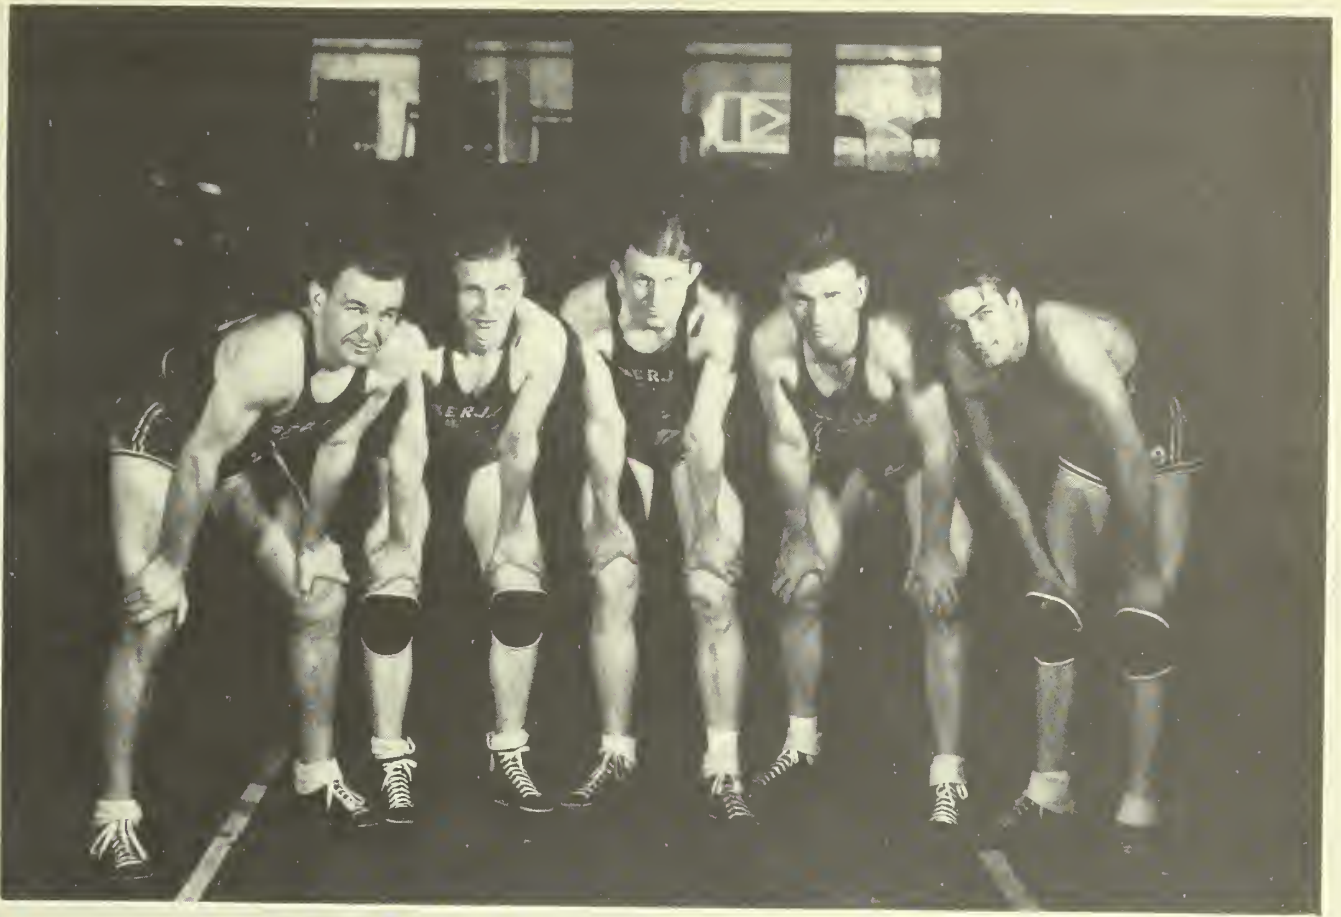

With forwards J. P. Vinson and Woodrow Vanderslice featuring the effective Etex attack, the Lions went far ahead during the early stages of the game and never relinquished their lead. Vinson with 21 points and Vanderslice with 14 made life miserable for the Jack guardsmen.

KERMET CLAYTON

The desperate Sheltonmen rallied sharply during the final half, threatening several times to work into the lead. Matteson and Cook led S. F. A. scoring with 16 points each.

POST SEASON GAMES

After closing out their regular season in Huntsville February 28, the Stephen F. Austin cagers accepted an invitation to compete in the Southern A. A. U. basketball tourney in Dallas, beginning March 6.

Two benefit exhibition tilts were carded for the Axemen before they made their trek to Dallas. The first encounter, reeled off in Aikman Gym March 2, saw the locals coast to a 36-33 victory over the strong American Liberty Pipeline five as Lumbermen substitutes enjoyed a field night. Jack Cook was high for S. F. A. with 10 markers and Bill Baxter, former S. M. U. ace, paced the losers with 12 points.

The following evening the Jacks played the classy Magnolia Dealers quintet in Beaumont. In what the South Texas city fans called the best game there all season the S. F. A. five romped to a 56-50 verdict. Matteson with 18 counters and Myers with 17 led the victorious offense.

Although they had won handily over Texas Wesleyan College here in their first two games of the season, the Lumberjacks found the Ft. Worth quintet steaming hot when the two teams met in an A. A. U. tourney opener March 6, and the Jacks were out-scored in a hard fought fracas, 40-33. Eliminated from the Southern A. A. U. event, the Axemen returned home with a complete season record of 16 victories against 7 defeats for their efforts during the 1938-39 campaign.

Even though Bob Shelton's 1939 Lumberjacks failed in a valiant attempt to regain the Lone Star Conference title they lost for the first time the year before, Stephen F. Austin partisans recognized the '39 aggregation as undoubtedly one of the classiest quintets the soft-spoken Jack cage mentor ever developed at the pine tree school.

Even though the conference title failed to return to realms of S. F. A. as pre-season predictions prognosticated, the past season can not be called anything other than successful. The campaign was not without numerous thrills and nerve-tingling games and on a whole was one of the most exciting as well as one of the most hectic loop races ever waged in the classy Lone Star cage league. The Lumberjacks defeated every team in the conference in the local gym more or less handily, but fared not nearly so well on foreign floors, winning only one of four loop contests away from home.

The highlight of the court campaign at S. F. A., and for the whole conference for that matter, was Marshall Matteson, spectacular Jack scoring ace who shattered by 29 points the existing L. S. C. scoring record. Matteson, a junior at Stephen F. Austin, had an average of more than 16 points per game for eight loop franchises. Besides Matteson's irrepressible offensive performances, stellar defensive play by guards Bennis Franks, Vernon Barron, and Pete Gunnels also featured in S. F. A. tilts during the 1939 season.

The 1939 S. F. A. cage quintet was also characterized by probably the greatest amount of first class reserve strength a Shelton-coached team ever had. Throughout the season, the Purple and White had access to three A-1 quintets, each one capable of holding its own in the fastest of company.

The only weakness on an otherwise almost invulnerable 1939 Stephen F. Austin quintet, was its failure to reach top form on foreign courts. Literally unbeatable on their home court, yet almost mediocre on foreign floors just about sums up the Lumberjack team of the past season.

Of the thirteen lettermen from the 1939 Jack squad only two will be lost to next season's team. Those two exceptions are Watson (Bird Dog) Myers, Axemen cage captain, who closed out three years of first class service during the past basketball season, and Willard Whitesides, reserve center. With eleven ace lettermen returning for the 1940 season, plus the classiest graduates from the past season's Freshman squad, Coach Shelton will have in 1940 all the makings for his seventh Lone Star loop cage titlists.

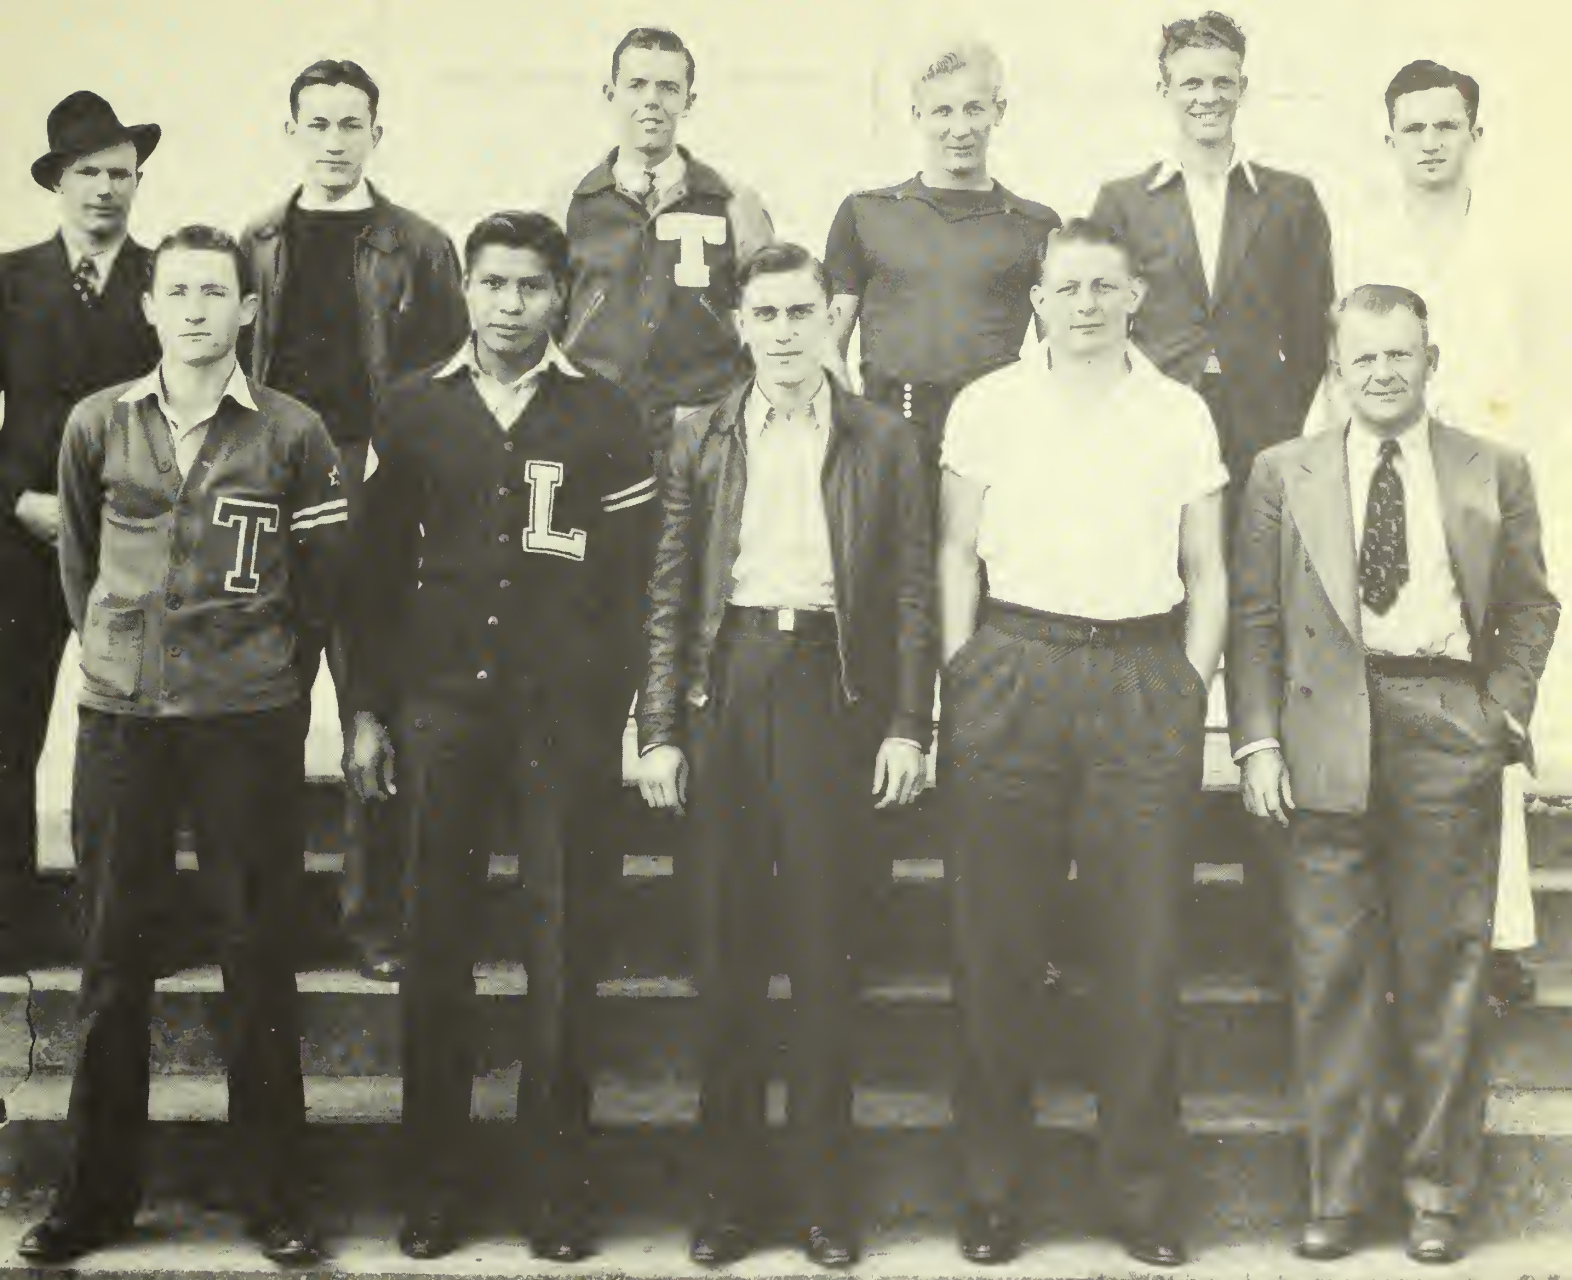

Incidentally, many Stephen F. Austin followers predict that the 1940 S. F. A. basketball five is destined to become the greatest of all the great Woodsmen quintets that have made the name Stephen F. Austin synonymous with brilliant basketball teams.

Freshman Basketball

Although freshmen were eligible to participate in varsity athletics during the past year, athletic officials here felt that a very promising squad of first year cagers enrolled at Stephen F. Austin would derive more benefit from playing regularly on a freshman squad than seeing infrequent service on the varsity five in their first season.

The 1939 edition of the S. F. A. freshmen, under the very capable tutelage of J. E. (Red) Willis, played a heavy schedule of games during the past cage season, including tilts with several of the strongest junior college and high school teams of the State besides their regular games with freshmen teams of other Lone Star Conference schools.

Hindered by lack of team-play that is always a drawback to the success of a freshman team, the Hatchet-men tasted their share of defeats over the season's span but nevertheless Willis' quintet had on it several members who will put in real bids for starting berths on next season's varsity aggregation.

TRACK

Although only three lettermen returned to Bob Shelton's 1939 S. F. A. track squad, a talented group of freshmen and sophomore cinder aces gave the local college in '39 one of the classiest and best balanced track teams in the history of the school.

Three veterans, Ralph Todd, Lone Star Conference record holder in the 440 yard run, Walter Todd, another middle distance ace, and LeRoy McPhail, field events specialist, gave needed steadiness to the promising but inexperienced squad. Burton Yates, sophomore pole vaulter and spring relay man, Bill Perkins, classy freshman high hurdler, Larry Covin and J. P. Sullivan, both frosh dash and relay stars, were among the best of the classy list of newcomers who garnered many points for the locals' cause this spring.

The Jack harriers competed in several very fast invitation, dual and triangular meets this spring before journeying to San Marcos in May where the Lone Star Conference meet was held.

Although the youthful Purple and White cinder team was improving by leaps and bounds as the campaign wore on, the Lumberjack thinly clads were given little chance to outscore nationally prominent track teams from North Texas and East Texas in the conference meet. Observers predicted that the Jacks would fight it out with a very fine team from San Marcos for third place laurels in the loop get-together.

TENNIS

Ralph Murff took over the duties of tennis coach at Stephen F. Austin this spring due to the temporary absence of Howard C. Key, who was doing post graduate work at Harvard University.

A small but promising squad reported to Coach Murff in early March and the team was in fine shape for its opening match late that month. Three lettermen, Malcolm Johnstone, Carl Brown, and Wilson McKewen, returned from the 1938 net team to give S. F. A. its best balanced team in several seasons. Harmon Roquemore, Ralph Ramirez, Lindsey Patterson, D. T. Bailey, Tom Davison and Edwin Nash were among the newcomers to the '39 squad.

A very attractive slate of matches both on the home courts and away were arranged for the local netters this season and the Jack courtmen turned in a commendable account of themselves in every contest.

Although the local netters showed flashes of really fine net play in their matches this spring they were conceded slight chance of ending the supremacy of powerful tennis teams from North Texas, the defending champions, and San Marcos in the conference meet here in May.

Even so, the 1939 Lumberjack tennis team showed enough improvement over the '38 squad to indicate that tennis is definitely on the upgrade at the piney woods school.

MISCELLANEOUS AND INTRAMURAL ATHLETICS

Among the highlights of the athletic year at Stephen F. Austin in 1938-39 were two "Fite Nite" programs staged by the S. F. A. athletic department this spring. These gala festivals of fisticuffs featured S. F. A. talent in a series of boxing and wrestling matches and several very classy boxing and grappling acts were uncovered. Pugilistic standouts like Andy Little, Johnny Asaff, and Chauncey Van Modisette and scufflers like F. J. Sonntag, Bill Ferem, Jesse Johnson, and Lynn Baker were among the highlights of the "Fite Nite" programs.

Intramural basketball play at Stephen F. Austin was revived in 1939 after a three year lapse. Under the capable supervision of J. E. Willis the cage loop was a success from the very start. Ten teams were entered in a heated intramural race that flashed a surprisingly high brand of court play throughout. Quintets representing the Sawyers and Sullivan House were conceded to be the two best fives in the race, although the others were not far behind.

Climaxing one of the most active intramural programs in the history of the school an intramural softball league was sponsored at S. F. A. the past spring. The loop was under the supervision of Bob Shelton with Willie McGraw efficiently handling the duties of student director of the league. Games were played on Birdwell Field and a very high grade of softball play was prevalent from the start. Several very fine softball tens were entered in the loop in which many hot battles were waged between the S. F. A. intramural softballers.

Golf took its greatest step forward in 1939 as an intercollegiate sport at S. F. A. when a team of ace Lumberjack linksmen, under the tutelage of J. E. Willis, scheduled matches with several of the strongest college teams in the State. Matches at the Piney Woods Country Club in Nacogdoches and on foreign courses were included on the S. F. A. golfers' schedule.

The team this spring was made up of M. H. Hopson, Gerald Millard, James Graham, Chester Hawkins, Tom Davison, and Harmon Roquemore.

AUSTINITES

The Austinite Club was organized on the campus of SFA in order to sponsor worthy school projects designed to aid the student body in work and play. The welfare and progress of its alma mater has been in the past and will be in the future the primary motivation of the Austinites in their activities.

Notable chapters of the 1938-39 Austinite program included: the big Christmas All-College Dance which featured the music of Raymond Rhone and his orchestra, union of the Austinite Poll of SFA student opinion and the Student Opinion Surveys of America, edition of a college handbook, second annual Piney Woods Debate Tournament which brought over fifty high school debaters to the campus, and several intra-organization social events which were highlighted by the annual banquet at the close of the school term.

BAPTIST STUDENT UNION

The Baptist Student Union is the connecting link between the college student and the local church. It works through the Sunday School, the B. T. U., and the Y. W. A. in unifying the religious activity of Baptist students on the campus. The B. S. U. promotes spiritual development and offers an attractive program including Christian fellowship and social activities. Every student who is a member of one of the unit organizations of the Baptist Church is a member of the B. S. U.

Outstanding events of this year's work have included the annual welcome banquet, delegation of eleven to the Southwide Baptist Student Convention, youth revival from December 4 to 11, creation of B. S. U. library, weekly prayer and devotional services in Boy's Dormitory and inauguration of student church services.

The B. S. U. Council, the executive committee is composed of sixteen officers who have charge of different phases of the work.

BARRISTERS

The Grand Order of Royal Barristers, which was organized in 1936 for the purpose of acquainting pre-law students with the fundamental principles of parliamentary procedure, has made decisive progress in this field, and has aided numerous students in their preparatory course in law.

The personnel of the organization is composed of a select group of scholarly students who are desirous of the benefits to be derived from training and expression of this nature.

Eligibility for membership depends upon a C average in all academic work, a reputable character, and election by the body as a whole, as stipulated in the constitution.

The Barristers pictured below are: Mitchell, Johnson, Marshall, Eddins, Whitehead, Sisco, Murphey, Futch, Marshall, Lee, King, Muckleroy, Dennard, Brown, Moore, Hendrick, Jimmerson, Bell.

Members not in picture are: Harris, Pate, Alders, Ramsey, Hyden.

SFA Debaters

Under the direction of B. E. Howard, the newly organized debaters extended their scope of activities this year. Positions on the squad were secured by actual competition among the contestants, being selected by the coach and two other judges. The debaters' itinerary included Huntsville, Centenary, and Natchitoches. The Debate Group entered the tournament at Louisiana Normal and the men's team went to the semi-finals, being eliminated by Baylor University.

The debate teams spent four hours a week in actual class work on debate, besides outside work. Next year the group of debaters promises to be bigger, and they are looking forward to a banner year. This year all teams were composed of freshman students.

PEECH AND DRAMATICS

ENTS

KER DRAMATIC CLUB

1938-39 witnessed a record-breaking year for the Dramatic Club—65 members and a series of great shows under the capable direction of B. E. Howard—a new curtain installed, additional lighting equipment including a complete new system of wiring throughout the stage and auditorium, and a new switch board.

"Night Must Fall" Splendid performances from well-trained actors surmounted difficulties of time, equipment, and the play itself played three nights, November 2 and 3 with two different casts and November 7, with an all-star cast selected by the players.

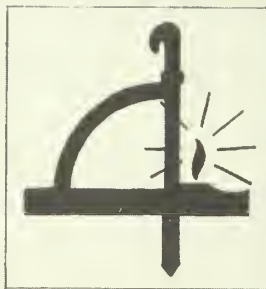

"Stage Door" "A smooth performance—without prompting or confusion—one of the best amateur productions ever to be given in Nacogdoches." Produced with a cast of 30 players and a production staff of 42 96 changes of costumes two sets.

Commencement play . . . "Outward Bound."

LOG-FORT PRESS CLUB

The primary objective of *The Press Club* is to give impetus to bigger and better Stephen F. Austin college publications. Staff members of *The Pine Log*, *The Stone Fort*, and *Pulp* meet each Wednesday afternoon for the purpose of discussing publication problems. Various social functions during the year serve to make the club more enjoyable for its members. Press Club members annually stage an amateur show which is known to students as "Skit Night."

LOGGERS

In the fall of 1937 a new organization was created on the Stephen F. Austin College campus. After a few weeks of deliberation the small group of charter members named this club *The Loggers*. Woodrow Baker was elected the first president.

The purposes of *The Loggers* are: to promote a close harmony among all phases of college life, and mutual understanding and a cooperative spirit between the faculty and the students; to cultivate relations between the college and the community; to labor on all occasions for the best interest of the college; to create favorable publicity for the college throughout the State by a more accurate reflection of the character and condition of student life; and to sponsor such forms of entertainments as shall be most conducive to the pleasure and mutual associations of the entire student body.

The Loggers organized the first SFA softball league in 1938. They have been successful in many other campus projects.

Depicting the spirit of the true Lumberjack booster, the Sawyers is an organization founded on the Stephen F. Austin College campus for the purpose of furthering school spirit among SFA-ites. The organization also makes an effort to unite a group of college leaders into an unflinching bond that will last long after those students have departed from the pine-covered campus. The Sawyers stand ready to assist at any time in any worthwhile campus project which has as its object the advancement of our college; in doing so, the members carry out the motto of the club: "For the Lumberjacks and SFA. Win-Lose-or-Draw."

New members are selected by invitation and must be voted on by the members of the organization.

Each year the Sawyers entertain students of Stephen F. Austin with an Apron-Overall dance.

May the Sawyers, in the future as in the past, uphold the spirit and honor of the fighting Axemen!

STEPHEN F. AUSTIN BAND

As a signal honor this year the colorful sixty-five piece Lumberjack Band was designated to be the official band at the Tyler Rose Festival and also led the parade. The band traveled to Denton, Beaumont, and Huntsville during the football season as well as to many of the surrounding East Texas towns in its annual goodwill tour sponsored each spring by the Boosters. Another evidence of growth during this successful year was the purchase of an alto clarinet, a bass clarinet, and a set of tympana.

The "T" Association is composed of men in school who have earned a letter in any branch of varsity athletics. Its purpose is to develop a greater interest in athletics at S.F.A. and a better brand of sportsmanship in intercollegiate athletics. "Fight Nite," a night of entertainment in the athletic field, was sponsored to arouse student interest in athletics the past year. Culminating its activities for the year is the annual "T" banquet.

The Pine Log, printed each Saturday during the long term, has as its purpose the presentation of news of interest to the student body and the furnishing of a medium of expression of students' viewpoints.

One of the outstanding features of the 1938-39 paper was the weekly student opinion column which printed all contributions, without censorship, that concerned questions of student interest and did not make a personal attack on an individual. Lively controversies throughout the year kept this column in the student's eye and many times brought action by the College Commission.

Another project of the 1938-39 Pine Log was the securing of newspaper cuts of students and faculty members who figured in campus news, and as a result this year's issues have featured more pictures than any other year's. Thus a valuable file of newspaper cuts has been created for present and future use.

Pulp, the first literary magazine ever published at Stephen F. Austin, made its initial appearance in the spring of 1938 under the sponsorship of Mildred Wyatt and H. C. Key. It was a natural outgrowth of the literary work of the Die-Hards, an organization of students whose writings, until then, had all been rejected for publication. *Pulp* offers all students, with the gift or desire to write, a chance to place their work before the student body, in printed form.

At the present time the Die-Hards act only as editorial and advisory staff, and most of the contributions come from students who are not members.

The 1939 issue was sponsored by Mildred Wyatt and Dr. T. E. Ferguson.

*Left to right, top row: Coach Matteson, Upton, Hopson, Stockwell, Wilson, Fulmer, McNeil.
Bottom row: King, Bunn, Perkins, Mitchell, Kilpatrick, Fountain, Fuller.*

The Blue Devils closed their season by winning their last ten games. In the entire season they won 14 out of 22 games, beating such teams as Gary, Laneville, Pineland, and Nacogdoches, all Class A County Champions. They also tied the 'Doches team for third place in the Dragon tournament.

Red King was high scorer for the season with 202 points, followed by Roach, 148; Fuller, 100; Bunn, 75; and Kilpatrick, 46.

AROUND THE CAMPUS

SNAPSHOTS

By ballot the students of Stephen F. Austin College
selected Flash and Wilma as "The Campus' Cutest
Couple."

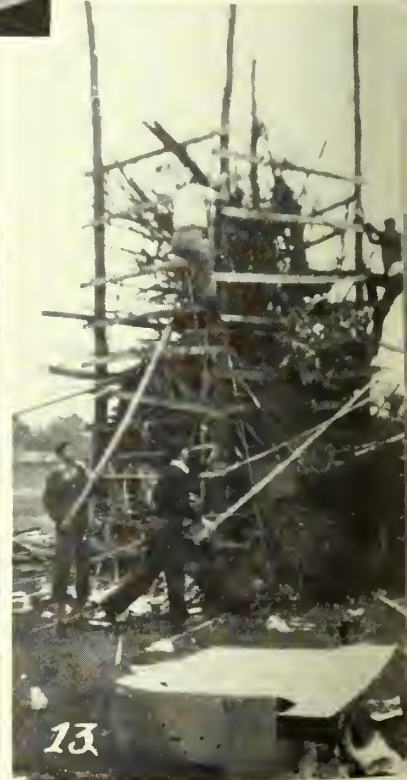

"Two by two they go marching through . . ."
They are seen together.

FOOTBALL INSPIRED IT

1. "Major Hoople" Vermillion poses for a photo.
2. "Bird Dog" Myers got off the ground long enough to have his picture made.
3. Little Jimmie Willis, class of '55 and candidate for All-American.
4. "The Yank" leads a yell.
5. "Now, it's this way boys."
6. Looking for a seat—or a boy.
7. Looks like a bald-headed guy, but it is only Gene Swier.
8. Chester Hawkins and Coach Willis off for a round of "pellet pounding."

12. "Pardon our backs."
13. Up she goes!
14. Dan Wilmoth came in handy before he was bitten by the bug.
15. Don't remind us of this place.

"What's Durante got that I haven't?" Money.
"Speedie" brings up the rear, as usual.
"Now, J. E., you know better than to leave these headgears out, etc."

John Hargis with background of females.
"Butch."

"Coach, let me play."
"Honest, folks, I ain't posing."

"I Can't Tell a Lie" Baker and Madie attend the Homecoming game.

Everyone yelled but Jones—he chawed.
"On to Huntsville."

FISH

FISH! FISH! FISH! don't laugh, upperclassmen, because you probably looked worse than this Now who put that middle picture, top row, in there? This all just goes to show that powder and paint makes a girl look like what she ain't.

There's only one Freshman Day in the life of a college student.

FRESHMAN DAY

Doing a good egg a good turn. . . . Rodgers doesn't seem to mind all this. . . . O. K., Bud, you go right ahead and wear your B. V. D.'s. . . . Ray and Jack at it again. . . . This is what you call getting down to earth. . . . Now, ain't we cute?

LEERS, LAUGHS, FROWNS, SMILES, NONCHALANCE AND
UNAWARENESS MAKE CAMERA FODDER.

ONE LAST GLIMPSE—
AND SO GOODBYE.

SAWDUST

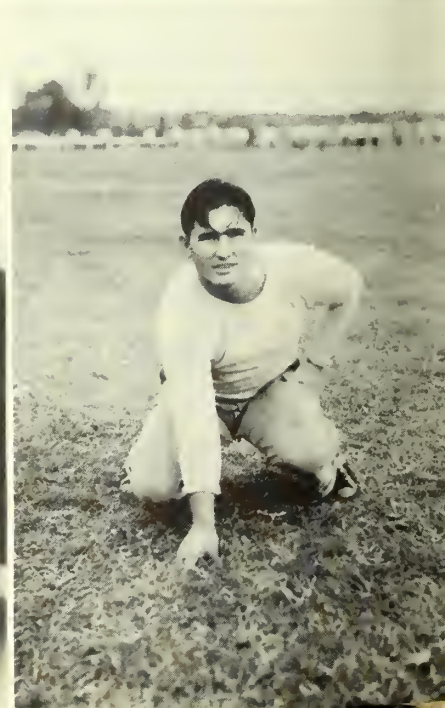

SAWDUST

BY WAY OF EXPLANATION: Sawdust is the leavings from *The Pine Log*. There is no particular reason why you should read what is printed in this section, but the staff realizes the importance of filling in around the photos. If your name or photograph is not included here, don't get mad. After all, you didn't pay us as much as those whose cognomen or resemblance is displayed here. Of course, the cracks printed here are ancient; however, they are so old that we feel that you have forgotten them. Anyway, what do you expect? If we were any better we wouldn't have to write for a yearbook. Now, maybe the photos in this effort are not up to your expectations. If they don't suit you, don't blame us. Blame Schleuter. Maybe they are not funny. Well, chances are that you are a sourpuss and you don't think anything is funny. And maybe you don't like this whole mess a durn little bit—the chances are you don't, but who cares? We don't.

You can tell the man who boozes by the company that he chooses.

This member of the college herd was sold and sent up North. Just goes to show how far a little bull will go.

"Nope, I didn't make the first team, but I would have if I hadn't hurt my shoulder."

BUSINESS BEFORE PLEASURE

Old Mose Epstein lay on his death bed. For twenty years he had been manager, owner, bookkeeper, chief clerk, and janitor of the Mose Epstein Mercantile Company, dry goods, groceries, gasoline, and gravestones. For twenty years the Epstein Company had opened at six o'clock in the morning and closed at six o'clock in the evening—provided there were no customers in the store. Only twice had the famed Epstein Company staged a sale: however, they both lasted ten years each.

Today it appeared that the citizenship of Centerville would be reduced to 327 and the Chamber of Commerce had called a special meeting to receive bids on a bit of sign changing. There was no doubt but what the C. of C. would appropriate funds to renovate the billboard on highway 91 which read "You are now entering Centerville. Population 328."

Mama Epstein and the seven little Epsteins had gathered at the bedside of their husband and father. Abie, Rosie, Jakie, Jodie, Harry, Julius, and Pippie stood in a circle around the bed.

Mama Epstein spoke. "Papa, speak to us," she said, "we're all here—little Abie, Rosie, Jakie, Jodie, Harry, Julius, and Pippie. Speak to us before you leave us."

Old Mose's eyes slowly opened. With a quivery finger he motioned for his family to come closer. In a faint voice he began to call their names.

"Mama," his voice was dim.

"Yes, papa," his wife replied.

One by one he called the names of his family. One by one they answered, "Yes, papa."

The old man then turned his pale face to his wife and asked, "Vell, vot do you say, mama, are all the boys and girls here all de time, huh?"

"Yes, papa, dey all here," she answered.

"Vell, are you positive?" the old man questioned.

"Positive, papa," she returned.

"Tell me mama—"

"Yes, papa."

The old man turned as white as a bucket of calcimine as he mustered up all his energy and bellowed, "Vell, tell me, who in de hell is keeping the store?"

The dean of SFA plug-uglies. On the left, of course.

Francile Morrison, last year's Stone Fort Editor, and a donkey. Francile is on the extreme right.

There used to be a filling station here, but those mean old college boys carried it away, piece by piece. . . . Morrison's had a bad night.

This shows how low down a camera man can get. . . . "Gorsh, this is the first time I was ever photographed in my nightshirt."

Don't blame this poor bird for being bald-headed. You would probably be the same way if you had to run around the country photographing college students. . . . This is Barham "Schleuter" Hand.

"I wonder if I made the Rambler?" . . . "Times are getting so hard that a man has to tie up his thumb in order to catch a ride."

Hark! Hark! The Lark! . . . Three of a kind.

Watch out for the flies, Ab. . . . "We're so tough we stink."

"Well, Glazener, I'll tell you why you should vote for etc., etc., etc." . . . The Gathering of the Nuts.

"Nope, I'm not scared. It's the goldurn photographer."

THINGS WE WOULD LIKE TO KNOW

Why is Ralph Arnett called "Charlie"?

Does Mr. Dean really lose money on *every* sale he makes?

Is Mr. Lowery triplets?

Has Mr. Cain learned a new joke yet?

Is "Bone" Barton really an honest-to-goodness cowboy?

Why do all the girls go for Earl Carter?

Did anyone ever make an "A" under "Red" Harling?

How old do you have to be before you retire as a college professor?

Why some S. F. A. professors never attend student affairs?

When will Mr. Garner get a new phrase to let us know "that we have been weighed in the balance and found lacking"?

When will S. F. A. professors stop pulling against each other and start pulling for each other?

When will we stop this stuff? . . . *Right now!*

Oh! Bertha, what big feet you have!

Hold It!

The End.

I had found the perfect spot at last
I could see the house, I could see the door,
I could see the roof, the walls and floor,
I could see the smoke from the burning logs
In the fireplace. I could see my dogs.
I could trace the path from the house to the spring,
I could see it all except one thing . . .
The money I'd need to buy the land
And build the house, for, you understand,
That drifter's gold is a priceless thing
But it's not the gold that'll ever bring
A single sou in the marts of trade . . .
So I saw my long-held vision fade.*

EDITOR'S NOTE

Out of the debris that is so easily made by nearly one hundred persons working with two hundred pages of annual material, this Stone Fort of 1939 has emerged. The hectic days of compiling are over and all that is left is a "might have been."

The appreciation of the staff is extended to the following people and organizations for their invaluable services to the annual:

The Steck Company
Schleuter's Studio
Texas Forestry Service
J. H. Wisely
Mrs. Guy A. Blount
Teachers who compiled Who's Who
Sugene Spears
Dr. H. B. Parks
J. J. Wilson
The Fox Company
President A. W. Birdwell
Jimmie Herron
The Pine Log
John H. English

The annual is now yours, no longer is it ours.

Yours sincerely,

Wilma Watkins

Wilma Watkins.
